

Livingston County Jail

2008

Twenty (22) Correctional Officers staff the County Jail, three shifts per day. The Jail Administrator oversees the fiscal and general operation of the County Correctional Facility. Supervised detainee workers serve meals, do laundry and clean the correctional facility.

During 2008 there were 1,201 work release days, compared to 815 work release days in 2007. The program allows inmates to be released to go to work at their various job sites. The current pay back figure for work release inmates is \$20 each per day they work.

The population at the Livingston County Correctional Facility was as follows:

	<u>2007</u>	<u>2008</u>
